Comments: I support alternative 6

My name is April Gilbert and I live in Juneau, Alaska. I have lived in Juneau for more than 15 years. I support Alternative 6 that would exempt al of the Tongass national forrest from the roadless rule. I hope that we can be wise in the use of our state's resources and not handicap ourselves from opportunities that other states have. I think that wise management can be achieved through the USDA and it will help the economy of the small southeast communities in Alaska. Most of Alaska in undeveloped. Being able to develop tiny portions of the land is justified.

Thank you for your consideration of my comments,

April Gilbert.
