

Data Submitted (UTC 11): 12/17/2019 9:00:00 AM

First name: Ryan

Last name: Stanley

Organization:

Title:

Comments: For the sake of the future of our children, we need every tree. Our society has advanced. We don't need to cut down trees for short term gain. It's time to stand up in favor of alternate sources and methods that simply make better sense for the big picture. Please count my voice as one of those against any roads or logging in the Tongass. -Ryan Stanley
