

Data Submitted (UTC 11): 12/17/2019 9:00:00 AM

First name: Carmen

Last name: Leguizamon

Organization:

Title:

Comments: It is time that we prioritize the environment and the future of the land. The land on which humans depend and are intimately connected. As someone whose personal and professional life relies on thriving ecosystems, please halt this endeavor. Roads interfere with healthy forests, animal populations, and rivers.
