First name: Amy

Last name: Bruehwiler

Organization:

Title:

Comments: Do not let industrial rape of the Tongass National Forest. Protect the remaining old growth forest. This forest is a treasure to be protected and honored. Save these precious trees. Protect this irreplaceable forest for humanity to witness in our distant descendants. Protect the wild place that is the Tongass. My heart calls it home and I need you to help protect my heart from shattering! No more roads!
