Comments: To whom it may concern,

I am writing to state my unequivocal support for Option 1, no change, concerning the roadless rule in the Tongass. It is my backyard and millions of visitors come up here to experience the pristine beauty that is southeast Alaska, not to get glimpses of clearcut old growth on tours. There aren't many places left in the world like this, and they should be protected AT ALL COST for future generations, not decimated now for the profit of a handful. Leave the Tongass alone and keep the roadless rule in place! A rule that 90% of people SUPPORTED last time this came up.

Thank you.
