

Data Submitted (UTC 11): 12/15/2019 9:00:00 AM

First name: William

Last name: Brooks

Organization: Retired from Business

Title:

Comments: Please do NOT allow extending old growth logging into our National Forests. This Administration has shown a propensity to distort facts to the advantage of corporations. Those Corporations are legally obligated to protect their profits. They have no obligations to protect the environment. That is your responsibility.
