

Data Submitted (UTC 11): 12/15/2019 9:00:00 AM

First name: Alice

Last name: Goodman

Organization: Alice Goodman

Title:

Comments: This is NOT the place to start logging. We need to preserve as much of our Natural Resources as we can. Bad science is making the excuses here. Clean up the study and take a realistic look at what you are doing.
DO NOT CUT THESE TREES DOWN!
