Data Submitted (UTC 11): 12/16/2019 9:00:00 AM
First name: Debra
Last name: Cook
Organization:
Title:
Comments: I ask on behalf of myself, the Indigenous, the wildlife and plant life of Alaska, and the planet that you abandon the plan to void the roadless rule and environmental protections in Tongass . I suspect you have children and grandchildren also. You and the corporate interests can't take your money with you and your descendants cannot thrive on a dying planet.

Regards, Debra Cook
