First name: Jake

Last name: Dayley

Organization:

Title:

Comments: Hello my name is Jake Dayley and I live in Rimrock, AZ. Please keep the Tongass National Forest roadless so that future generations may enjoy it as we have. I strongly oppose any efforts to roll back roadless regulations in the Tongass or anywhere else in Alaska. For the love of God, it's one of the most pristine areas left anywhere in the world. Leave it as it is!!!
