Comments: Trump attacks Indigenous rights. Alaskan Native communities -- including the Tlingit, Haida, and Tsimshian people. The Tongass is theirs alone, the rest of us are trespassers and usurpers. I support the No-Action Alternative for the Draft Environmental Impact Statement on the proposed Alaska Roadless Rule, Alternative #1. I support keeping the current Roadless Rule protections in place and intact for the Tongass National Forest.

I urge you to keep the federal Roadless Rule intact and current protections in place for national forests in Alaska, and in the contiguous United States. Not only does it preserve some of America's best fish and wildlife habitat, but it also saves untold millions of taxpayer dollars.

Regards, Jim Fairchild
