Comments: Roadless rule

To Whom it May Concern:

I have already submitted comments regarding the roadless rule with the subsistence meeting held in Ketchikan. I would like to reiterate

My support for continuing the roadless rule in the Tongass. We already have roads with deferred maintenance. I am not interested, as a taxpayer, to further subsidize the timber "industry" and now the mining industry.

Sincerely,

Susan E Walsh

Ketchikan, Alaska 99901
