Comments: Comments to oppose modification to the Roadless Rule

Dear U.S. Forest Service,

I visited the Tongass this year. It is a treasure and should not be developed; there is not enough to be gained by opening it to the timber industry. Please instead bolster protections to the old-growth forests and wild areas on the Tongass. I urge you to select the "No Action" Alternative (Alternative 1) and allow the Roadless Rule to remain intact on the Tongass National Forest.

Sincerely,

Renee Florence
