First name: Mark
Last name: Loyd
Organization:
Title:
Comments: Myself, my family and many of my friends enjoy the outdoor recreation provided by riding the trails that have been set out for possible closure. We need more outdoor family recreational opportunity, not less. Please consider some repairs or rerouting rather than closure. It has been a great experience for me and my sons out in the forest. The GARTRA organization is committed to helping in whatever is needed to maintain the trails.
