HELLO,

THE ROADLESS RULE ON THE TONGASS NATIONAL FOREST \*MUST BE MAINTIANED!\* [Text underlined for emphasis]

REPUBLICAN SENATORS [Illegible] SULLIVAN AND REPRESENTITIVE YOUNG ARE \*WRONG\* [Text underlined for emphasis]

IN THINKING THAT LOGGING AND MINING IN THIS AMAZING FOREST IS GOING TO IMPROVE ANYTHING. SALMON HABITAT DESTRUCTION ALONE IS REASON ENOUGH TO STOP THIS CHANGE. [Illegible] ALONE ALL THE OTHER ANIMALS WHO CALL THIS PLACE HOME. NOT ONLY WILL TAXPAYER HAVE TO CLEAN UP THE MESS LEFT BY RESOURCE EXTRACTION. (I'VE NEVER UNDERSTOOD WHY WE LET CORPORATIONS [Illegible] [Illegible] WORLD THEN WE PAY FOR THE CLEAN UP, ISN'T THAT SOCIALISM?)

IT WILL HAVE AN ADVERSE EFFECT ON OTHER [Illegible] LIKE FISHING, TOURISM, RECREATION. ALL FOR A FEW YEARS OF [Illegible] + [Illegible] ? STOP MAKING DECISIONS BASED ON GREED AND SELFISH NEEDS OF CORPORATIONS.

AND THEN THERE IS CLIMATE CHANGE: SCIENCE SAYS [Illegible] FORESTS ARE THE ONE THING WILL HELP SLOW THE EFFECTS.

USE SCIENCE PLEASE!(HAS TRUMP EVER HEARD OF SCIENCE?) I PERSONALLY USE THE ROADLESS AREAS OF WASHINGTON STATE ALL YOUR LONG, SKIING, HIKING, BIKING, KYAKING. THESE LAST [Illegible] AREAS NEED PROTECTION ONCE THEY OPEN UP THE TONGASS WHAT'S TO STOP THEM FROM OPENING UP THE KETTLE RANGE HOPE IN WASH.

TRUMP AND THE REPUBLICAN LAW MAKERS (BREAKERS!) OF ALASKA ARE GREEDY, SELFISH, SHORTSIGHTED AND REFUSE TO USE SCIENCE IN THEIR DECISION MAKING - DOES THAT MAKE SENE TO YOU?

IT [Illegible] DOES NOT MAKE SENSE TO ME, AND IT MAKES ME FEEL LIKE THE LOMMON PEOPLE OF OUR COUNTRY ARE BEING IGNORED FOR THE SAKE OF CORPORATIONS AND THEIR SHAREHOLDERS.

WHAT ABOUT US? AND THE WILDLIFE? WE SHOULD HAVE ROADLESS AREAS FOREVER! PLEASE!

THANKS FOR READING THIS
