Comments: Forest permitting system

I wanted to express my frustration regarding the proposed permit system for the Sisters, Mt. Jefferson and Mt. Washington areas.

I am opposed to this for several reasons. I already pay taxes. This fee system is an additional tax. It's also way over priced. The processing fee is ridiculous. \$6 for processing is more than the permit costs to begin with.

How will the permits be distributed? Are there limits to the number of permits you can purchase in a season?

Too many unanswered questions.

We love the outdoors, we love backpacking as a family, we love unplugging. Don't add red tape and high fees to something that we have already paid for and want to enjoy as a family.
