Comments: The Forest Service is funded by the American Tax Payers . Voting for a project without details of how, when, where, why & Details of such a massive project is unacceptable . Giving the Forest service a blank check & Details of the service of such a massive project is unacceptable . I am under the impression that their job is to protect & Details of the service of such as a project without details of how, when, where, why & Details of Service a blank check & Details of Service of Service and Service of Service of
