Data Submitted (UTC 11): 1/6/2020 9:20:25 PM
First name: Augustus
Last name: Hadorn
Organization: Earth Ministry
Title: Chairman
Comments: This land belongs to the public. All we have left are remnants, yet you want that as well. We face an environmental crisis and the very real possibility of losing habitat for all of life. Why not genuinely be of service to the forest and all living beings rather that to special interests? Do your duty for the public.
