Comments: You have been entrusted with the care of our land, our MOTHER and yet you make decisions to DESTROY precious land!!!! Why????? Why are you destroying such sacred earth???? You are supposed to to take care of our Mother Earth, NOT DESTROY in the name of greed??? How can you be trusted with such precious land if you want nothing but to take and destroy and poison??? Why have we even entrusted you with such a precious thing? I beg you to reconsider and do the right thing for OUR future's sake. PLEASE WE ARE BEGGING YOU TO STOP DESTROYING OUR EARTH!!!!!!!!
