There needs to be a pro-active volunteer based program to treat all Hemlock Trees within 20 meters of the Len Foote Hike Inn Trail. I'll be happy to "adopt" this trail for the program.

Will need to learn how to do it and whatever chemicals (?) are needed.

Invite other hikers to adopt other trails. (Raven Cliff, PLEASE! Anna Ruby too! (Yes, I know it's a Fed place, but: the Hemlocks need our help!!
