First name: Scott

Last name: Owens

Organization: Poverty Creek Trails Coalition

Title: Founder and Crew Leader

Comments: I'm writing as a representative and founding member of the Poverty Creek Trails Coalition. We are in full support of the new trail additions that will connect the Gateway Trail to the Brush Mountain Properties in the Town of Blacksburg.

We feel that any new trail is a win for the area and will provide an extended recreational experience, allow users to utilize more mileage of trail, and help ease traffic from the Gateway trail in particular. We are excited!
