Title:
Comments: Since the Tornado Blew through Boggs Creek rec. area,Thousands of Our customers have expressed their disappointment that the rec area has not been reopened, Turners Store has turned in two separate petition asking for the reopening of camping in Boggs creek but have not have any response,This area has a long history of family's returning generation after generation with there family's Also the closure of Boggs camping has put a strain on Adjacent Dick's creek area.
Boggs creek at one time had 33 camp sights, many people have enjoyed the area with their family's and their camping in the area helps support the small businesses in the area, as any small business knows this type of revenue can't be replaced and is vital to area businesses!
