Title:

Comments: Your only agenda is locking us out of the national forest....period...

If you are really concerned about elk....then clear cut...

To make food available in the mountains....plant it with grass...

Improve water for them to drink...develop springs and small tributaries into water tanks. .like arizona..new mexico...

But you won't. ..just another BS from both departments to LOCK US OUT...

JOE SMITH STEVENSVILLE MT. NOW YOU KNOW THE TRUTH HUNTERS
