Title:

 $\label{thm:comments: You are the Forest Service, not the Landscape Service. Your duty is to protect and preserve our and the Landscape Service is a constant of the Landscape Service. Your duty is to protect and preserve our duty is duty in the preserve our duty is duty in the preserve our duty in the preserve our duty is duty in the preserve our duty in the preserve our duty is duty in the preserve our duty in the preserve our duty is duty in the preserve our duty$ 

forests, not rape, pillage, and plunder the forest. The Chattahoochee does not need "landscaping".

I can think of NO justification for logging or herbicide application within the Chattahoochee forest.
