First name: BRUCE SPENCER KELLMAN

Last name: KELLMAN

Organization:

Title:

Comments: I,my children, grandchildren,kin and friends have hunted,fished,camped and hiked the  
Chattahoochee National Forest for many years making lifetime memories. But sadly we have noticed the decline  
of wildlife and their critical habitat. I WHOLEHEARTEDLY SUPPORT THE RESTORATION OF THESE GOD  
GIVEN FOREST AND / THIS PROJECT!

Thank you!
