First name: Carole

Last name: Madan

Organization:

Title:

Comments: I don't have to use attachments to make my point clear. This is a sin against God pure and simple. How dare you mess with this, forest service? Forest Service, ha - serving someone's Pockets is more like it You're supposed to be making things better for the Earth not worse. Disgusting, venal, wrong. Momma Nature - saving the natural world for 60years.
