Comments: Cancel the Valle Seco Land Exchange

Dear Becca Smith,

i'm oppose the Valle Seco Land Exchange and public access to the San Juan River. This land is visited by millions of people each year. The forest belongs to the people and precious animals that are dependent of the land for their survival. Rich people should not be allowed to still public forest land. They only care about one thing, money!!!! This forest land is beautiful and we want to keep it that way. Lives are dependent on this forest. The Forest Service job is to protect our forest not sell or exchange. DROP YOUR PLANS FOR EXCHANGE!!

Maria Soto

Sincerely,

Maria Soto
