Comments: CONCERN about the Valle Seco Land Exchange

Dear Becca Smith,

I'm writing to ask you to seriously reconsider and ultimately cancel the proposed Valle Seco Land Exchange. I object to the disposal of wilderness-quality roadless lands right next to the South San Juan Wilderness. And I'm opposed to losing land that the public can enjoy to private enterprises.

Please - do the right thing and cancel this project, keeping these public lands in public hands.

Sincerely,

Bernadette Zak
