Comments: The Valle Seco Land Exchange is a scam to benefit wealthy connected people at the expense of the rest of us

Dear Becca Smith,

Please reconsider and cancel the Vaille Seco Land Exchange. The gifting of irreplaceable wilderness has more negative consequences than just the loss of a public treasure. We are not making any more scenic rivers or wilderness.

Greed and power of one individual should not be allowed to ruin a priceless and timeless public resource. We are on the edge of losing something that cannot be replaced or recreated because a bully with power wants it.

Sincerely,

John And Carolyn Wilson
