Comments: Cancel the Valle Seco Land Exchange

Dear Becca Smith,

I'm writing to ask you to seriously reconsider and ultimately cancel the Valle Seco Land Exchange.

In a world of increasing population density and rampant development we need to hold precious all that is still left to us and to the millions of creatures that injabin this land. We can live anywhere, they can't.

Please consider giving the land and its many wonders a break and leave it alone.

Thank you.

Sincerely,

abigail hagler
