Subject: Letter of objection to Conroe Fracking

Dear Mr. Potts,

As a resident of both Montgomery and Harris Counties in Texas, I am writing to express my **STRONG OBJECTION** to allowing drilling and in particular fracking in the Conroe Area. I am not against either activity in many parts of Texas, but Conroe is an important drinking and recreational water supply for the entire Houston Region that should be kept isolated from such activities because of it's unique role in the life of our community.

PLEASE WORK TO STOP PLANS FOR ANY FUTURE SUCH EFFORTS IN THE VICINITY OF LAKE CONROE, OR THE NATIONAL FORREST THAT SURROUNDS THE LAKE!!

Thank you,

Diane McMaster
