Comments: This is a beautiful area. I believe it is dangerous for both cyclists/ pedestrians, as well as motorists to have people walking, running, or riding on 133. In addition, to have the opportunity to recreate without driving would be amazing. This type of recreational activity also boosts the local economy in multiple ways- visitors to Carbondale can ride safely, as a family, to Redstone & DC Clure pass, eat at the local restaurants & DC Carbondale can ride safely, as a family, to Redstone & DC Clure pass, eat at the local restaurants & DC Carbondale can ride safely, as a family, to Redstone & DC Clure pass, eat at the local restaurants & DC Carbondale can ride safely, as a family, to Redstone & DC Clure pass, eat at the local restaurants & DC Carbondale can ride safely, as a family, to Redstone & DC Clure pass, eat at the local restaurants & DC Carbondale can ride safely, as a family, to Redstone & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at the local restaurants & DC Clure pass, eat at t
