Comments: Wild horses belong in the wild. We need to protect them and respect there right to live free. If we don't we stand to lose the last of our western heritage. There are so few left in the Wild it's an opportunity for ecotourism here in Arizona. Let's create a win win for Arizona and our wild horses. Let them run free, expand their territory don't fence them in. Protect them for future generations to enjoy. Show some compassion.
