Comments: I am a Navy Veteran, 43 year resident of Heber/Overgaard and 76 years old. Thank you USFS for an accurate and precise solution to an ever worsening problem. I agree with absolutely every fact you have presented. I personally will support this solution in any manner that I as a private citizen can do. I am only sorry for my age , making me a less than desirable volunteer. I urge any Forest enthusiast citizen to volunteer to help as this is going to be a huge project needing tough people! Good luck and ThankYou USFS.
