Comments: Re: Heber Wild Horse Territory Plan #18916

To The Responsible Project Official:

My family and I wish to go on record in opposition to the proposed "Territory Management Plan." We consider the wild horses to be a state and national treasure. Any measures taken to cull, remove or otherwise harm or endanger the horses should not be considered or implemented.

Please listen to the animal rights groups who oppose this plan. Do not heed any persons who would attempt to villify the wild horses or promote the slaughter of wild horses.

Thank you.

Sincerely,

The Kelly Family (five of us):
