First name: Sven

Last name: Edstrom

Organization: Colorado Plateau Mountain Bike Trails Association

Title: Board Member

Comments: COPMOBA supports the sustainable development of this portion of trail and the further expansion and development of the Carbondale to Crested Butte regional trail. We believe that the creation of regional trails such as this create important opportunities for local communities to access public lands as well as increase the economic impact and development of surrounding towns of Redstone, and Paonia, as well as others.
