First name: George

Last name: Trantow

Organization: Midvalley Trails Committee

Title: Chair

Comments: Midvalley Trails Committee supports the trail from Marble/McClure Pass to Redstone and in the future Carbondale. We believe this trail will be very popular and supported very similar to the Rio Grande Trail. The linking of the Crystal Trail and Rio Grande will be a high pay off for safety, appreciation of nature, educational and a health benefit. In the meantime the trail from McClure Pass to Redstone will be spectacular. I can envision many people linking this trail to the Raggeds Trail riding from Redstone to McClure Pass and then on the Raggeds Trail to Kebler Pass.
