First name: Angelica

Last name: Heien

Organization:

Title:

Comments: Simply put, these horses were here long before us and we as the citizens of Arizona, conservationists and hunters alike both appreciate and respect their lands. Much like the Salt River wild horses, we will protect them, not encroach on THEIR land and allow them the right to be free as they have been for so long.

Thank you for allowing our voices to be heard even if not truly listened to.

A fellow Arizonian, a hunter, a conservationist.
