Comments: Keep Heber Horse Herd intact. Americans want to see their wild horses and burros protected where they are, not harassed, traumatized, sold, or dead.

Public Law 92-195: "THE WILD FREE-ROAMING HORSES AND BURROS ACT OF 1971  
(PUBLIC LAW 92-195)

§1331. Congressional findings and declaration of policy

Congress finds and declares that wild free-roaming horses and burros are living symbols of the historic and pioneer spirit of the West; that they contribute to the diversity of life forms within the Nation and enrich the lives of the American people; and that these horses and burros are fast disappearing from the American scene. It is the policy of Congress that wild free-roaming horses and burros shall be protected from capture, branding, harassment, or death; and to accomplish this they are to be considered in the area where presently found, as an integral part of the natural system of the public lands.

Thank you.
