Comments: I am appalled at this proposal!!!! These are public lands!!! These are OUR wild horses! 22 acres??? Who do you think you are??? You will allow these iconic majestic horses to remain on 400 acres-NOT 21 or ALL HELL WILL RAIN DOWN! ENOUGH OF CATTLE RANCHERS controlling your actions.... stand up and do what's right by these horses or prepare to be relieved iof your duties! You work for US! WE THE PEOPLE. And we are NOT HAPPY WITH YOUR PERFORMANCE!
