Comments: I am AGAINST any removal of the Federally Protected Wild Horses and Burros. The Laws to protect them are in full force. BLM skews the Numbers to suit themselves. Advocates are on the ground monitoring these Horses and Burros and we know that BOVINES have more land than any other species. Bovines destroy the land as they chew down to the dirt and take a step forward. It takes TEN YEARS to reclaim land that has been grazed on by Bovines. Stop breaking the Law!!!
