First name: SHARI

Last name: welsh

Organization: TAKE ACTION 4 HORSES !

Title: MRS.

Comments: WILD HORSES EVOLVED IN NORTH AMERICA OVER THE LAST 55 + MILLION YEARS ! WILD HORSES ARE ALSO GOOD FOR OUR ENVIRONMENT & OTHER WILDLIFE & CUT DOWN ON RISKS OF FIRES, and Poll after poll shows that Americans overwhelmingly cherish horses and support protecting them from harm.

Remove all cattle/ sheep from our Forests and protect Americas wild horses and do not remove any from there.
