Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I live near the Hoodoo Roadless area and I want it to stay wild and remote.

I would like to see the entire Hoodoo Roadless Area continue as a Recommended Wilderness

Snowmobiles have no place in such a wilderness area. They disturb the wildlife, including the Mountain Goats, and they ruin the experience for non-motorized recreation. We need to reduce the human impact in this wilderness area to give our wildlife a chance to thrive.

Thank you for working so hard to create the forest plan. And thanks for the opportunity to comment.
