Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I am a law student at the University of Montana. Wild places are incredibly important in the northern Rockies. I have hiked and camped in this area and managing it for its wilderness characteristic is necessary. This area should be fully protected with wilderness designation under the Wilderness Act.

I have hiked and camped in the area.

The entire area should be designated by Congress as fully protected by the Wilderness Act.

This area is very important wildlife habitat. Allowing motorized recreation would be very detrimental to the wildlife and the wilderness characteristics of this area.

The Cayuse and Kelly creeks are beautiful and deserve protection under the Wild and Scenic Rivers Act. The Northern Rockies is one of the last wild places in the lower 48. People come here to experience the wild in non-intrusive ways. We must protect it for all Americans.

We should see a reduction in using forests for resource extraction and move toward preservation.

Thank you for considering my comment. I hope my concerns resonate with the Forest Service and we work together to create more hunting, fishing, and backpacking opportunities for
