Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

The Great Burn wilderness area should be preserved as such. Please do not take away from this area. Keep it wild and free!

Nothing specific to add here.

The entire 151,874-acre Hoodoo Roadless Area should continue to be managed as Wilderness.

The entire Hoodoo Roadless Area should remain non-motorized. Damage to this area would be irrevocable.

Thank you for preserving this natural wilderness
