| Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record. |
| The great Burn is a beautiful area my family backpacks, hikes, and fishes. Please keep it wild: no increase in motorized access, no snowmobiles. And keep it all as possible wilderness. |
| Many trips. Great backpacking with my son and grand son and fishing in the Hoodoo area. Enjoyed seein Mt. goats close up!g |
