Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I spent a lot of time in this area in the 1980s. We can only gain by setting aside areas as wilderness. I am in favor of designating this area as a wilderness. Im going to return this spring to re-explore.

None to share.

The entire area.

Ive never been a fan of off road vehicle use in any forests. The environmental degradation and impacts on wildlife for the pleasure of a few, isnt worth it.

You decide

.

The forest planning team with the USFS? Thats their job. But Im thankful.
