Comments: 1 NO HUNTING OR TRAPPING OF WILDLIFE. GIVE WILDLIFE ADVOCATES A CHANCE AT LIFE AND THEY LOVE TO SEE LIVE ANIMALS, NOT DEAD ONES.

2.NO CHEMICAL ASSAULT ON FOREST. NO MINING DRILLING GRAZING TO ASSULT FOREST

3. NO PRESCRIBED BURNING WHICH IS A FAKE AND HAS NO MERIT AT AL. STUDIEIS HAVE BEEN DONE SHOWING ALL THAT RESULTS IS LOSS OF HOME AND FOOD FOR WILDLIFE AND POLLUTING THE AIR SO THAT AMERICAN CITIZENS GET LUNG CANCER, HEART ATTACKS, ASTHMA, ALLERGIES AND STROKES.

NO LOGGING SHOULD BE DONE. THE ASSUALT ON FOREST BY THE FS IS ABSOLUTELY DISGUSTING. THE TREES THEY PLANT ARE NOT NATURALLY BORN AND DO NOT FLOURISH. THIS AGENCY HAS IN FACT RUINED AND PUT MOST OF OUR FORESTS INTO NEEDED RESTORATION. WE GET ENDLESS RESTORATION PLANS BECAUSE OF THE LOUSY JOB THE MANAGEMENT HAS BEEN DOING WITH OUR FORESTS.
