Comments: Horses are truly magnificent creatures. They are made by nature to be free-roaming herd animals. They have beauty unsurpassed, strength immeasurable, and grace unlike any other. We must live up to the horse, we must be worthy of it.

"We may think we are smarter than all other animals, but our destructive acts to nature and other animals do not validate this." ~ A.D. Williams~

We need to calibrate our sense of success in terms of the kindness and respect we add to the world through protecting animals and ecosystems rather than harming them per Marc Bekoff.

As Albert Einstein said our task must be to free ourselves by widening our circle of compassion to embrace all living creatures and the whole of nature and its beauty.

The Wild Free-Roaming Horses and Burros Act of 1971 must be honored or as per usual our government agencies can not be trusted! Just more lies & deceit...
