Comments: BOUNDARY COUNTY P. O. Box 419 Bonners Ferry, ID 83805 February 13, 2020 Kevin Knauth, District Ranger Bonners Ferry Ranger Station 6286 Main Street Bonners Ferry, ID 83805 RE: Westside Restoration Dear Mr. Knauth, Boundary County is in full support of the Westside Restoration Project on the Bonners Ferry Ranger District. However, we would request that the County provide an up to date Wildland Urban Interface (WUI) map as it was amended by motion of the Board on September 18, 2018. There are some questions for clarity regarding processes with the Recreational part regarding analyzation for winter uses and how these will be implemented. We would also like to know how many miles of the new proposed trail are in the Grizzly BMU and are there potential impacts to future open road densities. As always, we appreciate the great working relationship with you and your team and look forward to interacting as this process goes forward. Sincerely Boundary County Board of Commissioners Dan R.
