Comments: Please help to preserve the irreplaceable natural heritage that is Tonto National Forest. I am writing to ask that you:

*Designate all Inventoried Roadless Areas as non-motorized;

*Manage Recommended Wilderness as true wilderness in order to preserve their changes for future designation;

*Include an objective that removes all unnecessary roads over the life of the forest plan; and

*Establish standards that truly protects fish and wildlife, and restores and connect their habitat.

Thank you.
